

Favour Details:

Her Grace, Princess Anna Ophelia Tarragon has chosen as her favor a peacock feather. The background fabric is a dark golden yellow similar to DMC 783. The center and stem of the feather can be done in purple (DMC 550) with the fronds of the feather done in a dark teal green (DMC 3847). The finished size should be the standard belt favor (9X6 with a 3 inch fold over belt loop).

Any interpretations on this design are welcome. Other methods other than embroidery, like painting or beading would be great.

I will be handing out embroidery kits for favors at most RP events or you can request me to mail kits to you and your group.

Thank you for your generous contribution to this great effort! And remember, Have Fun!!
